## FEATURED EQUIPMENT

### Purchase, Lease or Rent

Our flexible contract arrangements mean that you can choose a plan that fits your capital and expense budgets and gets the equipment in your lab quickly.

We will arrange a direct purchase, an equipment lease or even a long or short term rental for the equipment you need and we'll make sure that no matter what the arrangement, your payment plan will be tailored to you. When you need the equipment, we're here to help.

Fully-automatic Rotary Microtome A550
