CONSUMABLES

Large selection of quality consumables and most standard products in stock for same day shipping.

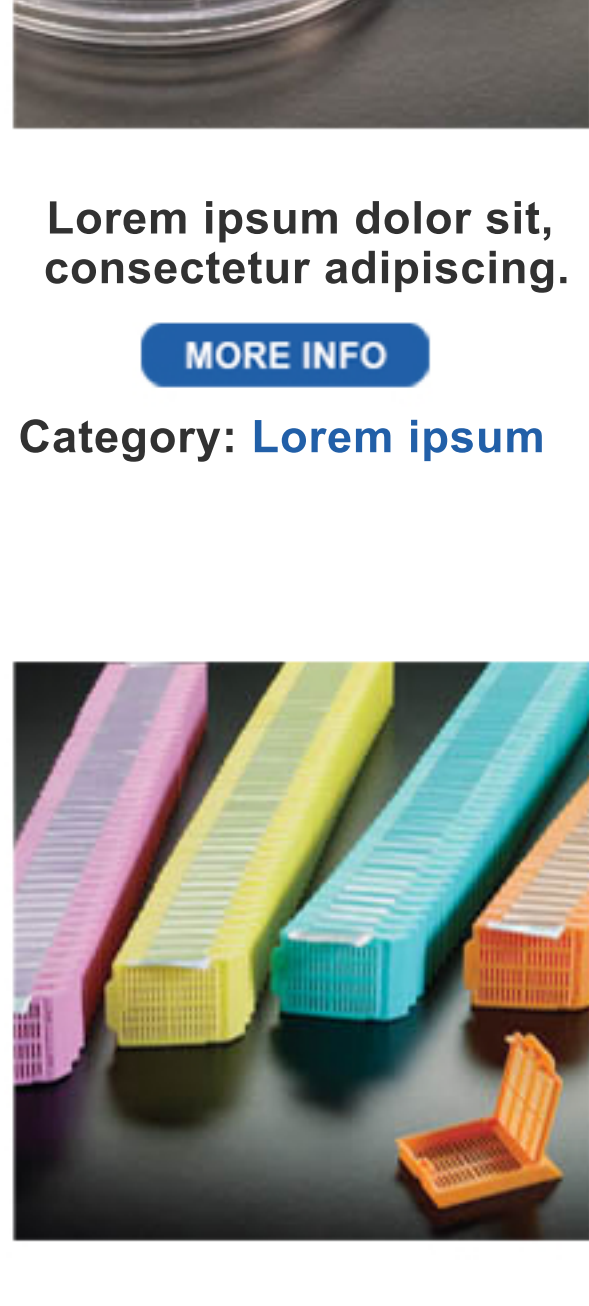

Our goal is to be able to supply all your major laboratory consumables at a fair price so you can buy from a single source. Our on-time delivery will guarantee efficiency and cost savings for your laboratory.

Shipping

With it's commitment to customer service, our team at IDEAL SCIENTIFIC stands out from the competition. We fully support new and existing products with warranty and service contracts and offer same day shipping on most products. We'll even pass on our preferred shipping rates on all standard and rush orders.
